

# Trauma Stretcher - P8040

Ultimate access for trauma and emergency patients

## Features and benefits

**Steering Plus™** directional system incorporates fully-locking five castor braking, providing improved steering, stopping, cornering and control

**Heavy-gauge, steel-reinforced frame** ensures durability even with frequent usage

**X-ray capabilities** across the full length of the stretcher, which saves time and reduces the risk of patient injury that can occur during unnecessary repositioning

Enhancing outcomes for  
patients and their caregivers:

**Hill-Rom**

## Trauma stretcher - P8040
